

The Wiley Difference in Finance

For over 200 years, John Wiley & Sons has been a vital source of information and knowledge for generations of learners. Our history is intertwined with the advances in publishing, the evolution in technology, and the growth of our global community and its impact in education.

Today, as bold new technologies are changing the way we live and learn, Wiley is providing professionals, students, teachers, and life-long learners with more access to more content than ever before.

Our mission is simple - *to help teachers teach and students learn*. We maximize the value of our content by publishing in flexible formats and/or flexible media to deliver solutions that seamlessly integrate with your teaching.

Wiley offers advantages you just won't find with any other publisher. Our goal is to be the publisher you think of first when choosing a textbook and integrated solutions for your Finance majors. The quality of our content and partnerships are developed to prepare your students to be competitive in the global workplace.

John Wiley & Sons is thrilled to include CFA Institute as one of our esteemed partners. The fruition of this partnership is [CFA Institute Investment Series](#) geared towards industry practitioners and graduate level students. This cutting-edge series focuses on the most important topics in the finance industry.

Wiley-Blackwell Publishing adds further value to your course by providing students with free subscriptions to their [Finance and Investments](#) journals like the [Journal of Finance](#), and the [Journal of Applied Corporate Finance](#).

You'll find that [Wiley Finance](#) products are uncompromising when it comes to quality. We seek input and direction from both students and instructors who use our products, and we listen to what they have to say. We class-test our manuscripts and elicit student reviews in every stage of the process. When you choose a Wiley Finance text, you can be sure it's student-tested and student approved with unparalleled service.

Our high level of customized service, flexible content/delivery, and engaging resources truly set us apart from our competitors.

That's the Wiley Difference in Finance.
