

# The Wiley Difference in Management

For over 200 years, John Wiley & Sons has been a vital source of information and knowledge for generations of learners. Our history is intertwined with the advances in publishing, the evolution in technology, and the growth of our global community and its impact in education.

Today, as bold new technologies are changing the way we live and learn, Wiley is providing professionals, students, teachers, and life-long learners with more access to more content than ever before.

Our mission is simple - **to help teachers teach and students learn**. We maximize the value of our content by publishing in flexible formats and/or flexible media to deliver solutions that seamlessly integrate with your teaching.

Wiley offers advantages you just won't find with any other publisher. Our goal is to be the publisher you think of first when choosing a textbook and integrated solutions for your Management students. We focus our publishing program on business courses that boasts currency, global issues, and sustainability coverage that is relevant to students, are easy to use, and filled with rich with media to produce results for student success.

Our focus is dedicated to the topics that are important to you and your students today: **Currency, Global Issues, Sustainability** ("green" practices in business), and **Learning Outcomes**, all delivered within our content and through our media resources, like WileyPLUS.

Exclusively to John Wiley & Sons is the imprint of **Jossey-Bass** books, journals, periodicals, and newsletters - including the award-winning quarterly review *Leader to Leader* produced in collaboration with the [Leader to Leader Institute](#). Jossey-Bass publications feature the work of some of the world's best-known authors in leadership, business, nonprofit, health administration, conflict resolution and relationships.

**Wiley-Blackwell** Publishing adds further value to your Management courses by providing students with free subscriptions to their [Management journals](#) like the [Journal of Management Studies](#), [Strategic Management](#), [Product Innovation Management](#), [Small Business Management](#), and [Strategic Entrepreneurship](#).

Most importantly, you'll find that Wiley Management products are uncompromising when it comes to **quality**. Aside from research, we seek feedback and direction from both students and instructors who use our products, and we listen to what they have to say. We class-test our manuscripts and elicit student reviews in every stage of the process. When you choose a Wiley Management text, you can be sure it's student-tested and student approved with unparalleled service.

Our high level of customized service, flexible product/formats, and engaging resources cannot be matched and truly set us apart from our competitors.

When you adopt a Wiley resource, you can be assured that you will receive a superior level of service. Everything you need is at your fingertips: a Wiley Sales Representative dedicated to your adoption, online and live training seminars, 24/7 technical support, and opportunities to connect with a colleague using the same resources for their course.
