

WILEY EDTECH EVENT FOR BIOLOGY AND ANATOMY & PHYSIOLOGYNOVEMBER 21ST, 2014*Student Readiness, Learning Outcomes, and the Digital Classroom*

This Wiley EdTech Event gathers Biology and Anatomy & Physiology educators from across Southern California for an afternoon of lively and engaging sessions. We will explore innovations in improving student engagement, student readiness and learning outcomes in an active classroom, whether online or traditional. Join us to discuss best practices in teaching Biology and Anatomy & Physiology and collaborate with a great group of peers from your area!
